Description: A first airplane ride can be very exciting! Watching planes take off and land, going through security, walking the jet way, finding the right seat, watching out the window as the plane taxis down the runway, and flying up high in the sky and then, at the other end, Grandma waiting with a hug! Nancy Speirs acrylic illustrations deftly interpret the...

Review: We really loved this book for our first family trip. My son has Sensory Processing Disorder and some anxiety with new things. To lessen this we try to prepare him as much as we can. This book has nice rhymes but also a lot of information. It talks about going through lines and security and having to put your bags on the security belt and all that....
